

## YOUR SPONSORSHIP CHANGES LIVES

EFAC connects every student with a sponsor or group of sponsors. Your tax-deductible sponsorship funds a four-year high school education and additional EFAC programs, including mentoring and career counseling. Your giving provides a prized opportunity not only to change the life of a student, but to change the lives of their family, community and country.

You will get to know your student, their dreams and disappointments and witness, firsthand, your student's journey through high school and beyond. In addition, your sponsored student will know about you, your community and your life-changing gift.

An EFAC student recently wrote to a sponsor, "My role model is you because you opened a world for me and helped me to go to secondary school. You saw that we needed to be educated as others do."

*"By providing education, EFAC is helping raise a generation of adults who will be able to break the vicious twin cycles of poverty and violence that have affected much of Africa. If you want to make a difference and get the biggest return on your investment, EFAC is worthy of your support."*

– STEVE DUPREY, EFAC SPONSOR,  
SENIOR AIDE TO PRESIDENTIAL  
CANDIDATE JOHN McCAIN

## EFAC STUDENT ACHIEVEMENTS

- 5% rank first in their class
- 22% placed in the top 10% of class

promising students  
like these discover a  
world of opportunities  
only education  
can provide*

## EFAC EMPOWERS STUDENTS, TRANSFORMING THEIR LIVES FOREVER

**Education For All Children, EFAC**, provides scholarships, mentoring, and global connections to exceptional students in developing countries to encourage leadership, economic progress, cultural understanding and a more peaceful world.

In Kenya, where students receive a free education only through the eighth grade, higher education for the majority of the student population is out of reach. Since 2008, EFAC scholarships have been helping fill this gap for a growing number of students. With your financial support – an EFAC donor sponsorship – students chosen from a rigorous selection process attend Kenyan boarding high schools and meet other young scholars from around Kenya to attain a level of education that empowers them as citizens, leaders and global ambassadors.

**In a few short years, over 175 EFAC students are now equipped with a quality education, a network of scholars and mentors and a vision of a brighter future for themselves, their communities and their nation.**

EFAC works in partnership with Africa Nazarene University, ANU, a liberal arts university located on the Maasai Plains outside Nairobi. ANU helps identify deserving students, facilitates student-donor communications, career planning and organizes the all-important annual Mentor Workshop.

Our comprehensive Mentor and Dreams programs enrich and enhance the EFAC experience:

**EFAC Mentor Program** provides year-round support and guidance to EFAC students. Our annual three-day Mentor Workshop unites all our students and focuses on:

- Team Building, leadership activities, motivational speakers and career counseling
- Creating strong bonds that pay major dividends throughout the year, like the new confidence students bring to their academic and extracurricular life

**EFAC Dreams Program** is a cross-cultural American education program focusing on global citizenship that uses, at its core, a relationship with EFAC.

- Designed for US educators, this program works closely with schools to create learning environments that encourage students to become critical thinkers, responsible global citizens and future leaders
- A standards-based program that provides students with engaging, rigorous and relevant curriculum using 21st- century learning skills and technology

Thank you for your interest in EFAC. To donate now or learn more about our students and programs through blogs, videos and sponsor testimonials explore [www.educationforallchildren.org](http://www.educationforallchildren.org) today.

## CHANGE THE WORLD ONE STUDENT AT A TIME

Direct Sponsorship is a four year scholarship commitment that matches you or your group with a student. The total commitment for you or your group is \$800 per year, per student for four years of high school.

### YOUR STUDENT RECEIVES

- Four year High School Scholarship
- Four year Mentor Program
- Four years of global connections
- Life time of opportunities

### YOU RECEIVE

- Written communication with student
- Grades and progress reports
- An opportunity to change a life forever

The Student Fund keeps our students learning with your donations of any amount.

To donate easily and securely visit
